#### Investē Latgalē

Latgales plānošanas reģions

# Latgale's Days in Riga

# Price survey for the investment object in Preili municipality / Preili manor complex and park

# Price survey for the investment object in Balvi municipality,

## Partizanu Street 66, Balvi

It is planned till 30.09.2016 to use the project's budget for the following activities:

1) Elaboration of investment attraction materials – technical documentation for Daugavpils city, Rezekne city, Ludza and Livani municipalities.

2) Organization of exchange of experience trip to Utrecht (Netherlands) for 15 persons.

3) Ensure the functioning of Representation of Latgale in Riga.

Intentions for further cooperation in the field of facilitating entrepreneurship:

- Exchange of experience between Norwegian and Latvian institutions, businesses, creation of new cooperation networks;
- Support of trade missions; participation in economy facilitating exhibitions;
- Continuation of operation of Representation space of Latgale in Riga;

• Pilot project – ensuring the availability of business education programmes for kindergarteners and schoolchildren (elaboration of programmes, training of educators, implementation of programmes).
