# Valmiera

An aerial photograph of Valmiera, Latvia, taken during the golden hour of sunrise. The city is nestled in a valley, with a thick layer of mist or fog filling the lower parts of the landscape. In the foreground, a dense forest of green trees covers the hillsides. The middle ground shows several buildings, including a prominent church with a tall, dark spire. The background consists of rolling hills and more forest, all bathed in the warm, orange light of the rising sun. The sky is a pale, hazy orange.
