7. Active inclusion of specific groups
8. Regeneration of deprived neighbourhoods & combating poverty

3 cross-cutting issues

- How to manage urban devt. in the context of the crisis
- How to foster integrated & sustainable approaches to urban devt.
- How to develop efficient partnerships & multi-level governance

Phasing of a network life cycle

Life cycle of URBACT networks builds on 2 phases

1. Development phase

6 months to prepare a full project application

5 cities including a Lead partner

supported by a Lead expert

2. Implementation phase

27 months to implement activities and deliver outputs

8-12 partners including a Lead partner

supported by a Lead expert

Development phase – 6 months

■ Objectives

To complete the initial partnership, develop project proposal & submit Final Application

■ **Partnership:** 5 cities

■ **Budget:** 100.000 euros

■ 2 work packages

WP 1 - Project management

WP 2 - Project development

■ Actions to be implemented

To organise 2 transnational project meetings

To complete the baseline study

To set up core ULSG and hold a first ULSG meeting

To complete the project mini-site & produce logo

To submit the final application

Implementation phase – 27 months

■ Objectives

- ✓ Exchange and learning at transnational level
- ✓ Drawing lessons and disseminating results
- ✓ Applying lessons at local level
- ✓ Building capacity of local stakeholders

■ Partnership: min 8 - max 12 partners

■ Budget: 700.000 euros

■ 4 work packages

WP 1 - Project management

WP 2 - Transnational exchange & learning (network seminars)

WP 3 - Impact on local policies/ practices (ULSG, LAPs)

WP 4 - Communication & Dissemination (website, events, publi)

Willing to create or join a network?

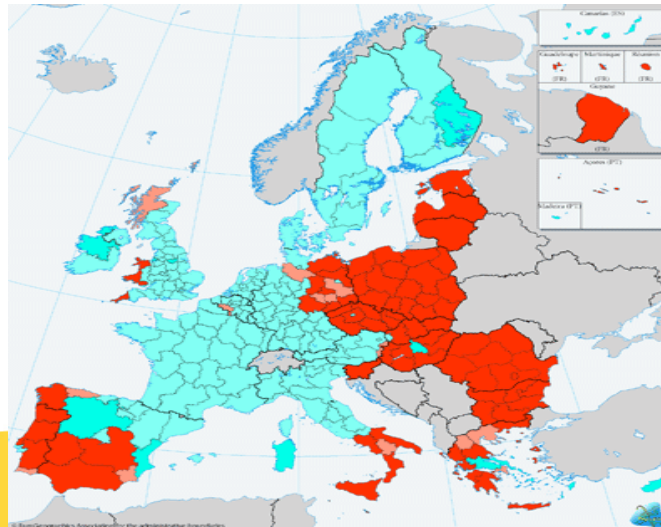

First steps and procedure

Some pre-requisites

- **BEFORE** you decide to set up a Thematic Network as a Lead Partner OR to join a network as Partner, make sure to:
 - Consult the Guide to URBACT Thematic networks
 - Discuss local policy challenge / problem to be addressed
 - Check political support
 - Check the available human resources

1st step: composing the initial partnership

- 5 cities (including the Lead Partner)
 - From 3 different Member / Partner States
 - Balance Convergence and Competitiveness regions:
 - ! *Partners from Norway and Switzerland (Partner States) not taken into account when considering the balance*
- 50% +1 Conv or Comp in case of odd nb of MS partners
- 50% Conv – 50% Comp in case of even nb of MS partners

2nd step: Declaration of Interest & required docs

- Declaration of interest to be filled in online
- 1 Topic to be selected among 8 topics
- Work plan and deliverables for both phases
- Information on partners
 - 5 Letters of Commitment (signed/elected rep)
- Budget: 100.000€ (ERDF + Local contribution)
- A project coordinator for the Lead Partner + Lead Expert
 - CVs to be attached

3rd step: Submission of proposal

Deadline: 15 March 2012

- 1. Online through PRESAGE-CTE :15 March 2012, 2 pm GMT**
- 2. By email (including requested doc.): 15 March 2012**
- 3. By regular mail (incl. requested doc.): post-marked 15 March 2012**

Creation of a network: a 2-step process

1. DECLARATION OF INTEREST

Stage 1	Submission of DOI by Lead Partner (incl. all required doc)
Stage 2	Eligibility check of DOI by URBACT Secretariat
Stage 3	Assessment of DOI by External Assessment Panel (EAP)
Stage 4	Decision by URBACT Monitoring Committee → Projects approved for 6-month Dvpt Phase

2. FINAL APPLICATION

Stage 5	Submission of FA by Lead Partner (6 months after approval for Dvpt phase)
Stage 6	Eligibility check of Final Application by URBACT Secr.
Stage 7	Assessment of Final Application by EAP (incl. Interviews of Lead Partner & Lead Experts → Applicants have 3 weeks to revise proposal)
Stage 8	Decision by URBACT Monitoring Committee → Projects approved for 27-month Implementation Phase

Resources & Support
